DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

The house in this farm complex is a two story five bay rough cast or stuccoed stone and brick structure. Its three more northerly bays of the front elevation are recessed beneath a double porch which is included under the main roof span. Windows have two over two pane sashes. The building would appear to date from the third quarter of the 19th century. A modern concrete block dairy barn is also present.
